

SICK AND CARER'S LEAVE GUIDELINES AND PROCEDURE

(Also known as Personal / Carer's leave, or Sick leave)

Early childhood services are quite unique in that it is a legal responsibility to replace a sick worker due to the required educator to child ratios. Additionally, an absent worker can create a great deal of stress for a co-worker who is required to care for children in an under-staffed classroom. It is therefore vitally important that procedures are followed by all staff to minimise both stress and legal implications when taking sick leave.

Working in conjunction with the *Staffing Arrangements Policy*, this procedure sets out processes for educators when requesting paid or unpaid sick leave due to illness or personal injury.
