

PAYMENT OF FEES POLICY - CLAYTON

Under the *Education and Care Services National Regulations*, an approved provider must ensure that policies and procedures are in place for the payment of fees and the provision of a statement of fees charged by the service and take reasonable steps to ensure policies and procedures are followed. (ACECQA, 2021).

Quality early education and care provides the foundation for children's development and social engagement whilst supporting workforce participation of parents and carers. Our Service is committed to providing quality education and care to all children at an affordable fee for families.

As an approved childcare service, Child Care Subsidy (CCS) is available to reduce fees to eligible families. Our fee structure is based on our ability to provide the requirements of the Education and Care National Law and National Regulations, Family Assistance Law, the Australian Taxation Office and guidelines contained in the Child Care Provider Handbook.

3 & 4-YO KINDER FUNDING

The Victorian Government provides funding to support children to access a high-quality kindergarten program in the two years before they start school. This helps to ensure that all Victorian children get the best start in life.

From 2023, the Victorian Government is making kindergarten programs free for three and four-year-old children – saving you up to \$2,000 per year for each year of a kindergarten program your child attends in an integrated long day care setting. Free Kinder is a critical component of the Victorian Government's Best Start, Best Life reform.

By providing Free Kinder for kindergarten programs in long day care, the Victorian Government is ensuring parents are supported to access a program in a flexible setting that fits around work and other commitments.

Each child enrolled in Evoke Early Learnings funded 3 or 4-year-old kinder programs will be entitled to a credit of \$48.78 per week against your normal gap fee **during school terms only**, to cover their 15 hours of weekly kindergarten funding provided by the Victorian Government.

Please note that children can only be enrolled in **one** Government funded kindergarten program per year.

Our Service aims to ensure families understand the fee schedule and payment process required for education and care to be provided for their child. We are committed to meet our obligations to maintain financial integrity and comply with all Child Care Subsidy legislative requirements. We have effective compliance systems in place to ensure childcare funding is administered appropriately. Our Service ensures the confidentiality and privacy of all personal information provided to the Service about the enrolled child and family.
